AMETROS

Maximize Your Medical Funds After Settlement with Amethyst

Call Henry Barkhausen at 312.831.0770 to activate Amethyst!

Amethyst links to your own personal bank account...

Amethyst's secure Healthcard links to your existing bank account and helps facilitate all of your care-related payments. You will always remain in complete control of your settlement funds.

The Amethyst member card works like a traditional insurance card with no copays or extra charges, helping you get the care you need.

Amethyst's care advocates will help you get the treatments you need and advise you on reporting your Medicare Set Aside to Medicare, if necessary.

...and saves you an average of 21% on your projected healthcare expenses

Use Amethyst after settlement to help your money go further so you can someday pass it on to your family, estate, or beneficiaries.

Save 21 cents on every \$1.00!*

*Example based on average savings data.
